

Dear Parents,

It has been lovely to see the children coming into school to meet their new teacher for next September. The current Year R invitations will be sent out on Monday, everyone else should have now received theirs, along with their new teacher's 'This Is Me' profile. The Year 2 children have really enjoyed visiting our brand new outdoor classroom and seeing where their classroom for next year is. They have also been hearing about the exciting topics that they will be covering during the course of the next school year.

We were delighted to collect in the completed home learning (so far). This work has been given to the children's current teachers who will respond shortly.

Have a lovely weekend.

*Kind regards
Sarah Vass*

Cleaner Wanted

As we look ahead and begin to plan for September we have some vacancies for cleaners. A number of our current staff will be moving onto university in the Autumn - a very exciting time and we wish them the very best of luck!

If you or someone you know would be interested in a position, please contact the school office. Cleaners work 2 hours a night between 3.30pm and 5.30pm.

Contact with Teachers

Please continue using the email address **homelearning@greattotham.essex.sch.uk** to keep in touch with us. All messages will be forwarded to the relevant member of our teaching staff. We really enjoy responding to your child's work, arranging phone calls for a chat and offering support.

In addition, the individual class email addresses (e.g. **1H@greattotham.essex.sch.uk**) are still very much in use but please be mindful that all of our teaching staff have been assigned to the bubbles of children attending school and therefore are now teaching full time. There may be a short delay in a response.

Midday Assistant Wanted

In addition to cleaners, we are also looking to recruit a Mid-day Assistant for September.

If you are interested in this opportunity, please contact the school office for more information.

End of Year Class

Photographs

This is a final call for permission to be granted to include your child's school photograph within the class montages that will be produced by the photographer (as detailed in the Parentmail sent earlier this week).

The deadline is Monday and if we have not received your permission, unfortunately your child's photograph cannot be included.

Please note, there is no obligation to purchase the product. The permission is simply for your child's photograph to be included alongside their class.

Please contact the school office to provide confirmation (or otherwise). Thank you.
